## YOUR GUIDE TO LENDING

your road to financial success

NOT JUST A CREDIT UNION

# WE'RE FAMILY

We are here for you, and we want to be there for every stage of life. So whether you are in the market for a personal loan,

or if you are looking to get a new vehicle, HHCU will always be here to help you through each step.

**NEW & USED VEHICLE LOANS** – We offer great rates on new and used autos and we can save you hundreds or thousands over what you'd pay at a dealership. Whether buying from a dealership or an individual, get preapproved with HHCU.

**RECREATIONAL VEHICLES** – Sometimes a car doesn't get you where you want to go. Take advantage of our low rates and great terms to purchase all your recreational vehicles.

**AUTO REFINANCE LOANS** – Stuck paying off a high-interest auto loan? If you have an auto loan through a dealership or another financial institution, check out our low rates and see what you could save by switching!

**CREDIT CARDS** – Make the most out of your money by using an HHCU MasterCard. The card can be used at ATMs and merchants worldwide. Stay up to date with purchases made on your account using our online services.

**CREDIT-BUILDER LOAN** – We understand that getting your foot through the financial door is a big step; however, you don't need to invest a lot to build your credit. Our credit-builder loans are just right for people starting to build and repairing credit.

**SIGNATURE/PERSONAL LOANS** – Loans are a convenient way to borrow against your signature. They require no collateral, but the interest rate is usually higher than a secured loan. HHCU offers three types of loans: credit cards, signature loans and personal lines of credit.

**SAVINGS & CD SECURED LOANS** – For the lowest interest rate, a loan may be secured or collateralized by shares or certificates of deposit. A share loan has a fixed rate, which is tied to the rate paid in share accounts. This type of loan is an excellent way to establish credit.

**MEMBER HOME LOAN** – Let us help you with ease and convenience while shopping for the best loan program and most current rates available. Together with our experienced loan officer you will be guided through the often difficult and confusing process of choosing the exact loan to meet your needs.

**PERSONAL LINE OF CREDIT** - This product provides you with financial flexibility and control that can be used for practically any purpose, with no collateral required.
