NOT JUST A CREDIT UNION

WE'RE FAMILY

We understand more than anybody that unforeseen circumstances can arise at any point in life, but HHCU has you covered. We offer

multiple services that can help you during your time of need. We want to make sure that we protect not only your finances but also your family and loved ones.

OVERDRAFT PRIVILEGE – HHCU understands that sometimes we have unavoidable expenses that come up in our lives. Take advantage of our Overdraft Privilege and tap into funds during those times of need.

OVERDRAFT PROTECTION – Sometimes we over spend on everyday expenses; thankfully, HHCU has you covered with Overdraft Protection services! By linking your HHCU checking account to your savings, if you exceed your available balance, the savings account will cover the rest.

NCUA INSURANCE – Your savings are insured by the National Credit Union Share Insurance Fund (NCUSIF) up to \$250,000. You can feel secure knowing that your investments are protected and financially backed.

LIFE/DISABILITY INSURANCE – These types of insurance help cover your family in case of death or total disability. They make your credit union loan payments during illness or disability or pay off the loan balance in the case of death. As a credit union, we want to make sure you're treated as family at the best of times and during the worst.

EXTENDED WARRANTY – Get peace of mind and protection against unexpected automotive repair costs when you purchase an extended Vehicle Service Contract. Since most major repairs occur after the manufacturer's warranty expires, consider adding an extended vehicle service contract to your loan.

SAFE DEPOSIT BOX – Safe Deposit Boxes are a great tool for managing your valuables and important documents. They are safe, secure, fire-proof and provide convenient access to those documents you absolutely cannot afford to lose.

GAP INSURANCE – GAP covers the difference between the market value of your vehicle and the loan balance. Opt in for this service and have peace of mind knowing that your purchase is protected.

MYMOBILEMONEY – MyMobileMoney makes managing debit cards simple and easy. Use the MyMobileMoney app to set custom alarms every time your card is swiped & even lock your card if it is misplaced.
