#### **Member Spotlight**

I've never considered a credit union for my financial needs. In fact, I didn't even know what a credit union was! While shopping for my first vehicle, I was referred to Houston Highway Credit Union by a friend that had an account there since High School.

I never would have thought that buying a car would be easy; but HHCU guided me every step of the way!

I'm so thankful to HHCU for looking out for me! They will be my go to for my next vehicle purchase!
