Craig's Corner

With the flexibility of traveling now, I would like to wish all of you safe travels during your summer vacations.

- Consider purchasing travel insurance, you never think you need it, until you do!
- Remember that sharing your itinerary on social media is a roadmap to your movements.
- Stay tethered: most quick snatch and run robberies happen because the thief can do it easily and has time to get away.
- Tell your financial institution where you are going.
- Use ATMs wisely.
- Try using your front pocket instead of your back pocket to protect yourself from pick pockets.
