Member Spotlight

Jesus (Jesse) Sanchez opened his membership with Houston Highway Credit Union in 1982. "I've never regretted my decision 39 years ago!"

Jesse was recently approached by another financial institution but kindly replied "no thank you". He remembers coming here in 1987 in debt and was struggling with other hardships. "Houston Highway Credit gave me a chance when no one else would. That

means a lot to me and I owe it to them to stay loyal. It doesn't matter if I stumble or fall, I know Houston Highway will always have my back!"

"Everytime I walk in to the credit union there is someone there to greet me with a smile and a hello. I can always count on Houston Highway Credit Union, they are like family to me."

Thank you Jesse!

Craig's Corner

As I was reflecting on what to say in this column, I thought about where we were last year and even the year before. We've been through a lot together!

Our staff remains to be largely unaffected by the virus. Our members seem to be getting back to work and there is some sort of return to normalcy.

Since opening our lobby again a few months ago, we have seen a steady stream of members thankful for the opportunity to make transactions in person as well as see familiar faces greeting them.

We understand that some of our Members still may be experiencing difficulties. Our priority is to provide you with the best possible support throughout these challenging times.

I'd like to say thank you to our member first responders that serve us in the community and keep us safe. And please know that we are always here for you and only a phone call away if you need help.

Thank you for your membership,

Craig Atkinson, President
