Credit Union Connection

For 69 years, your Credit Union has worked to help you, our members, achieve your financial dreams. From our first member we served in 1953 to each new member we welcome today, we are committed to aiding you in your financial success.

In 2020, we saw a worldwide pandemic impact us. Everyone has had to adapt to remote work, remote learning, or virtual healthcare. These changes, while focused on keeping us safe, have ultimately changed our consumer habits. In 2021, we worked to ensure the continued well-being and safety of our staff and visitors.

Our goal is to be your first choice for all of your financial needs. We are committed to building a trusted relationship and provide you with personalized member service.

Our commitment to you has allowed for the continued success of your Credit Union. We look forward to the future.
