Sign Up Today!

Subject to credit qualifications. Loan must be less than 10 days delinquent and have been open a minimum of 6 months. Cost is \$30 per loan skipped. Borrower must be at least 18 to skip a payment. Loan Types excluded: Mortgages, home equities, credit cards, lines of credit and CD secured loans. Continue paying your loan(s) until you receive confirmation your skip request has been approved. Subject to change at any time.

PROTECT YOURSELF FROM PHISHING SCAMS

Phishing scammers can pose as legitimate businesses such as credit unions and banks to lure personal and financial information from unsuspecting subjects. These scams can happen via email, phone calls, text messages, and social media. Be sure you don't fall victim to a phishing scam with these tips:

- Implement multi-factor authentication whenever available
- Update your computer software and use auto-updates
- Think before you click on links that look and seem phishy
- Use unique and strong passwords for each account

Contact Houston Highway Credit Union if you've supplied personal information via email, phone, text message, social media, or anywhere else. If you suspect that an encounter seems phishy, do not give out personal information or click any links, and instead call us at 713-864-4438. Remember, HHCU will never ask you for personal information such as your log in or password to your account.

SPRUCE UP YOUR *Financial Life*

Now is a great time to review certain areas of your financial life to stay on track with your financial health and long-term goals. Here are a few ways to get started:

- 1** Cancel unused subscription services. If you have repeating charges that automatically withdraw from your account from a service you no longer use, consider unsubscribing from the service. Whether it's a gym membership, streaming service, or something else, review your bank statement to see where you can cut.
- 2** Review your budget. Stay on track with your budget and short-term goals by revisiting your budget and adjusting where necessary.
- 3** Organize financial documents. Consolidate your pile of paperwork that can include financial documents, statements, bills, and more. See which items you can shred, discard, and file. While you're at it, consider signing up for HHCU's E-Statements to decrease the paper clutter in your home.
- 4** Check up on your credit score and credit report. Obtain your free annual credit report at annualcreditreport.com to ensure that your information is accurate. See where you need to adjust if needed.
- 5** Set a financial goal for the remainder of the year. There's plenty of time from now until the end of the year to accomplish financial goals. Whether you're looking to save a certain dollar amount by the holidays, consolidate monthly debt payments, or begin your investing journey – we encourage you to set a goal and make it happen! As your home credit union, we're here to help in any way possible.

Enroll in E-STATEMENTS
