Stay Alert: WATCH FOR SPOOFING SCAMS

HOLIDAY CLOSURES

Memorial Day
Monday, May 25th

Juneteenth
Friday, June 19th

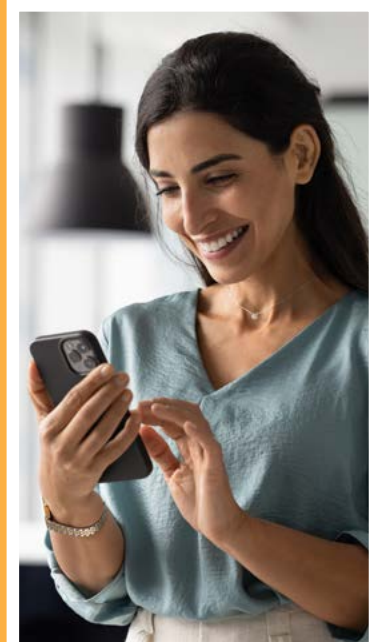

Independence Day
Friday, July 3rd

Scammers are becoming more sophisticated, and some are attempting to impersonate Houston Highway Credit Union. One common tactic is called spoofing. This is when fraudsters disguise their phone number, email address, or even caller ID to make it appear as though they're contacting you from a trusted source, like HHCU or another reputable business. The call or message may look legitimate, but it's designed to trick you into sharing sensitive information.

Remember:

- We will never call, text, or email asking for your full account number, online banking password, PIN, or secure verification codes.
- Caller ID can be faked (even if it shows our name).
- If something feels urgent or suspicious, pause before immediately responding.

Stop potential fraud in its tracks. Always verify the source and double-check any communication that asks for personal information by contacting us directly through our official website or phone number. If you suspect a phishing attempt, report it immediately by contacting us at 713-864-4438. Stay vigilant and stay safe to protect your personal information.
